RE: Freedom of Information Act (FOIA) Request, number EPA-R5-2013-006786

Dear Ms. Menegay:

This letter is the response of the U.S. Environmental Protection Agency, Region 5, Land and Chemicals Division (LCD) to your FOIA request received on Thursday, May 30, 2013. You requested records for the property located at 2900 Hill Avenue in Toledo, Ohio.

LCD has searched its records and determined that Resource Conservation and Recovery Act (RCRA) ID Number OHD080983935 has been assigned to the property located at 2900 Hill Avenue in Toledo, Ohio. Using this RCRA ID number, we have generated the enclosed Handler Detail Report from our RCRAInfo data system. RCRAInfo is used by both EPA and our State partners to record hazardous waste activities regulated under the RCRA program. The basic details shown on this report include facility name, location, mailing address, site contact(s), NAICS code(s), regulated hazardous waste activities, and summarized waste details, if the facility is required to submit a National Biennial Report. This is the only responsive information we have regarding your request.

If you consider this response to be a denial of your request, you may appeal it in writing to EPA's National Freedom of Information Officer at the following address: EPA, FOIA and Privacy Branch, 1200 Pennsylvania Avenue, N.W. (2822T), Washington, DC 20460. However, note that only items mailed through the U.S. Postal Service may be delivered to this address. If you are submitting your appeal via hand delivery, courier service or overnight delivery, address it to National Freedom of Information Officer, EPA, 1301 Constitution Avenue, N.W., Room 6416J, Washington, DC 20004. You also may submit an appeal by e-mail to [hq.foia@epa.gov](mailto:hq.foia@epa.gov). Your appeal must be made in writing and submitted no later than 30 calendar days from the date of this letter. EPA will not consider appeals received after the 30 calendar day limit. The appeal letter should include the "EPA-R5" number listed above. For quickest possible handling, the appeal letter and envelope should be marked "Freedom of Information Act Appeal."

Please note the following general information:
